Quick Start Guide

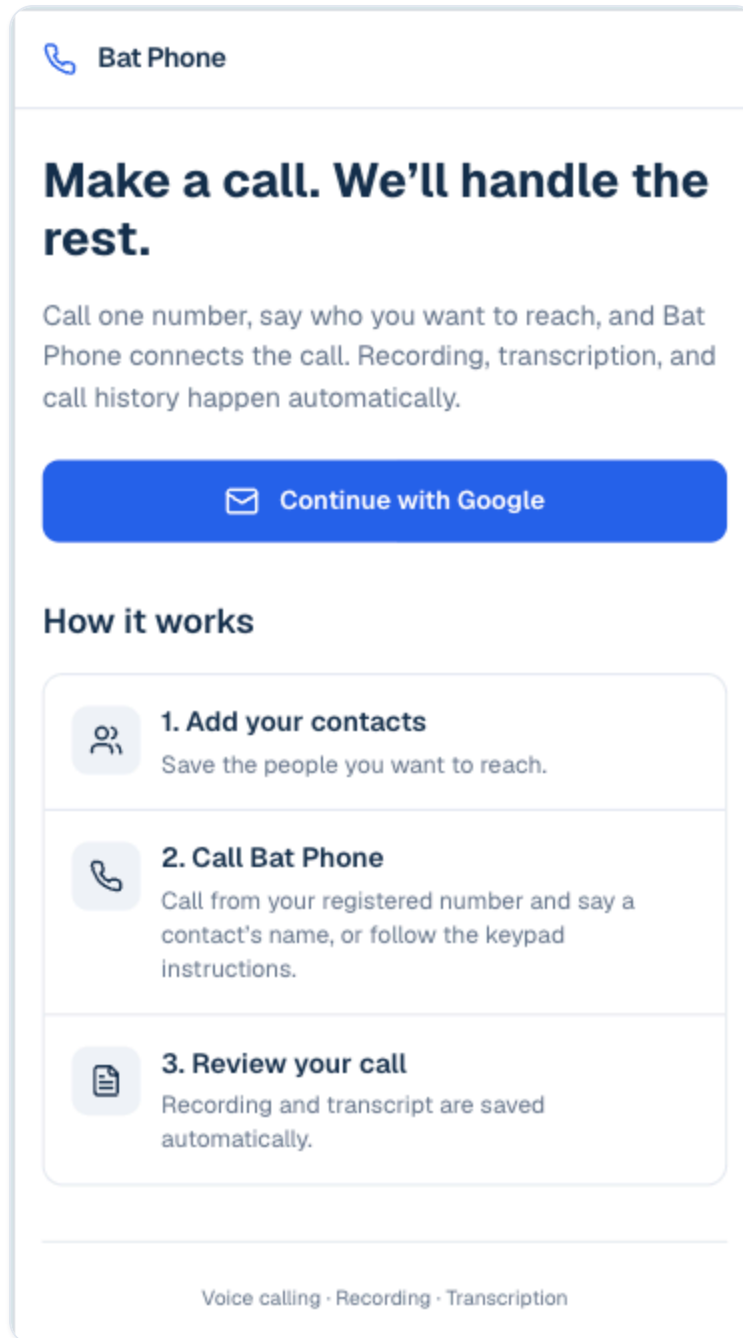

Call saved contacts through one shared number. Recordings, transcripts, and history are saved automatically.

genius-bat-phone.vercel.app

For questions about access or calling numbers, contact your Bat Phone administrator.

1 Sign in

- Open Bat Phone in your browser.
- Tap **Continue with Google** and sign in with your work account.

2 Set up your calling number

- Enter the phone you will **dial from**.
- Bat Phone uses it to recognize you. Change it anytime in **Account**.

 Bat Phone

Set up your calling number

Bat Phone uses your phone number to recognize you when you call.

Calling number

You can change this later from Account.

Phone number

(555) 000-0000

Use the number you'll call Bat Phone from.

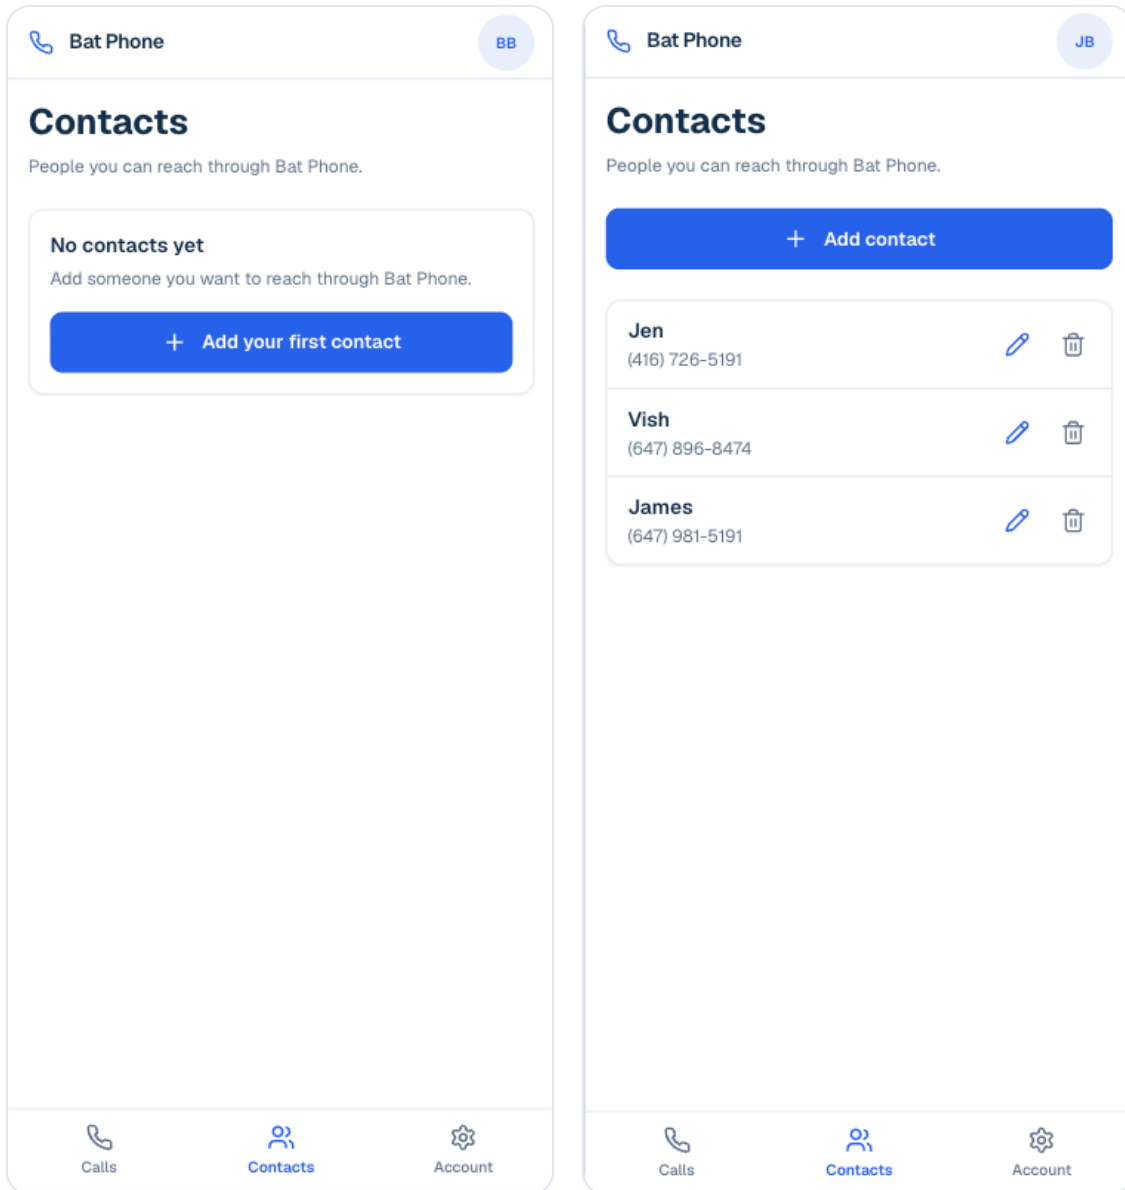

Save and continue

bookbuddying@gmail.com

 Sign out

3 Add a contact

- On **Contacts**, tap **Add contact** (or **Add your first contact**).
- Save the name and number Bat Phone should connect you to.

4 Make a call

- Open **Calls**. Copy **(289) 278-2417** if needed.
- Dial from your registered phone (see **Account**).

Call this number from your registered phone. When prompted, say a contact's name, or follow the keypad instructions.

Calls

Your call history and recordings.

5 Review a call

- Tap a row in **Calls** to open call detail.
- **Play** or **Download recording**. Use **Copy** on the transcript when ready.

6 Transcript

Transcripts may take a short time after the call ends.

Quick troubleshooting

Not recognized?

Call from the number in Account.

No transcript yet?

Wait and reopen the call.

Contact not found?

Say the name again or use keypad prompts.

New phone?

Update Calling number in Account.
